Mix value INX 4080

FEATURES

- Automatic start, stop and clear
- with UV, MG, MT, IR, 3D, and Color detection while counting
- automatic half note, chained note and double note detection
- add, batch and self-examination function
- mix value counting and denomination function
- the software can be updated through RS-232 port
- side display and customer display
- designed and developed for INR, USD, EUR

SPECIFICATIONS

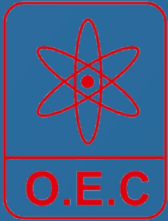

- Hopper capacity> 300pcs
- stacker capacity> 200 pcs
- counting speed:>=1000pcs/min
- counting display: 4 digits
- batch display: 3 digits
- net weight: 5.8 kg
- Power supply: AC 220V +/-10% 50Hz
- Power consumption: <=80W
